

SHAPEWEAR MANUFACTURING PARTNERSHIP BROCHURE

Introducing AURA FORM

Premium Shapewear Designed for Confidence, Comfort, and Modern Style

We are building a contemporary shapewear brand that redefines the category: stylish, comfortable, inclusive, and empowering. Our mission is to offer body-positive shapewear that blends functionality with fashion, created using innovative materials and crafted for all-day wear. Inspired by market leaders like SKIMS, Spanx, and Yitty, we are seeking a long-term, reliable manufacturer to partner with us in launching a next-generation shapewear collection.

OUR BRAND VISION - Modern, Minimalist Aesthetic – Clean silhouettes, natural tones, timeless design - **Performance Fabrics** – Breathable, stretchy, durable; ideal for sculpting and movement - **Body Inclusivity** – Ranging from XS to 4XL with carefully developed sizing and fit - **Sustainable Focus** – Use of recycled fibers and OEKO-TEX certified materials when possible - **Everyday Functionality** – Designed to move with the body and feel invisible under clothing

WHAT WE ARE LOOKING FOR IN A MANUFACTURING PARTNER - Proven expertise in shapewear, seamlesswear, or lingerie production - OEM and/or ODM capabilities - Ability to work with nylon, spandex, polyamide, recycled blends, mesh - In-house pattern making, tech pack development, sampling - MOQs starting from 300–500 units per style (flexible for launch phase) - Strong quality control systems and timely production lead times - Experience in exporting to U.S., U.K., EU markets (compliance knowledge preferred)

COLLECTION OVERVIEW (INITIAL LINE) - High-waisted shaping briefs and shorts - Sculpting bodysuits (with and without chest support) - Shaping tanks and camis - Seamless leggings with compression zones - Optional maternity-friendly shapewear styles

Color palette: Neutrals (nude tones, brown, black, sand), seasonal accents

Sizing: XS – 4XL

Target launch date: TBD

CERTIFICATIONS PREFERRED - OEKO-TEX Standard 100 - GRS (Global Recycled Standard) - ISO 9001 / 14001 - Sedex / BSCI Audits (optional but appreciated)

OUR EXPECTATIONS We aim to build a transparent, professional, and collaborative relationship with our manufacturing partner. Our priorities include: - Clear communication - Fast prototyping and responsive revisions - Attention to detail and garment shaping - Capacity to scale up production within 6–12 months

LET'S BUILD TOGETHER If your factory has experience in shapewear or technical undergarments, we would love to review your capabilities. Please share your factory portfolio, available materials, production terms, and sample process.

We are excited to develop a long-term collaboration and create high-performance shapewear together.
